

Q and the Millennial Kingdom Part 3

Anons - Worst Cult Members Ever or The Meek Inheriting the Earth?

by John Q Adams

April 17, 2022

In my first two articles, using numbers that link Q posts, Scripture, and modern day prophecy, I began to build the foundation for the premise of this series that Q is part of a Divine Plan, His Plan for removing the tares from the harvest field at the end of the age. One might even call it The Plan. The satanic luciferin cabal and secret societies are not the only ones who use numbers. YHWH uses them too. He is the one who created them, after all. Today I am going to take a little bit of a detour. Although the detour still connects at both ends to the main road, it is just a little more windy and interesting scenic route to the same destination. Think of it like driving south through western Virginia but instead of continuing on I-81 we are going to take the Skyline Drive.

Beautiful. Funny how the horizon always rises up to eye level... But I digress.

If you did not read my previous two articles, I recommend you go back and check them out. We are going to pick up where they left off. Yes, I said we were

taking a detour, but you still need to know where we started and where we have travelled thus far, or you will be lost. No, I am not going to leave a link this time (because if you have not read the last one, you would not know that I had left a link there to the previous anyway). I am enjoying this view too much to go look for the link. I can wait. Breathtaking...

Ah! Your back. Great! Let's continue this journey.

Blessed are the meek: for they shall inherit the earth.

Matthew **5:5**

5:5: code meaning a signal that has excellent strength and perfect clarity; the most **understandable** signal possible (aka "Loud and Clear").

Example:

"Darkhorse Actual, this is Echo Three Victor, radio check. Over."

"Echo Three Victor, this is Darkhorse Actual. 5:5. Over."

5 + 5 = 10

5 x 5 = 25 which reduces to **7**

10 + 7 = 17

17 = Q

Worst Cult Members Ever

I think it is time to talk about the A part of the letters A and Q, the Anons. After all, they are simply the worst cult members you have ever heard of.

Well, that is just the thing. Most people have never heard of any of the Anons. They have heard of QAnon, or at least what the Mockingbird Media tells us about QAnon. A quick search of "QAnon cult" on the intel-net, even using Duck-Duck-Go, feeds you what **they** want you to know about the cult of QAnon.

Case closed! QAnon is obviously a dangerous cult. Doing everything the cult leader tells them to do. For example, when President Trump (Q+) was promoting Operation Warp Speed and recommending people take The Jab, they all ran out and took it. Oh, wait, that was the Mockingbird Media watching normies who ran out and took The Jab and the second Jab and the booster and the second booster because the TV told them to, and Lord Fauci said to trust the science. You'd be hard pressed to find an Anon who even wore a mask. Okay, okay. I am sure we can find other examples of cult following type activities, right?

Ah, here is one. They are drinking terrifying chemicals! A quick search on Telegram, one of the favorite hangout places of Anons before the launch of Truth Social, will yield some results, I am sure.

Never use tap water it is full of Poisonous toxic chemicals to disrupt your endocrine system. Imagine now with all these vaccines & boosters people pissing mRNA & GRAPHENE HYDROXIDE into toilets, that water is actually being recycled back into the main water supply into our taps. Random Anon on Telegram

Awkward indeed. Turns out it is the TV watching normies who believe their leaders would never hurt them (yet are putting these things in the drinking supply) are the ones drinking terrifying chemicals. Speaking of putting things in our water supply, did you happen to catch the Watch the Water documentary by Stew Peters? Dasting. Fine. There must be other examples.

Oh, I know! They are anti-maskers! And they were anti-maskers even before the TV and Lord Fauci told us it was okay to stop wearing them. They don't wear masks as a way of signaling to the other members of the death cult that they are one of them. Those grandma killers!

Okay, not a good example either. Certainly, the people you saw driving down the road alone in their car wearing a mask were under some sort of strong delusion, not the Anons and the Truther community in general who were thinking for themselves instead of just blindly following "science".

Anons have clearly stood out from the rest of the world since 2020 and the start of the plandemic. And when I say rest of the world, I am lumping Christianity in

general in with it. Hate to break it to you, but Christianity has fallen down on the job. When the COVID psyop hit, did church leadership take a stand or did they cave? They caved. They closed their doors. They went along with the mandates. They did not stand out from anyone else. In fact, evangelical Christianity today has gone AWAL, they are derelict in their duties. Rather than carrying out the work of The Kingdom, they prefer to sit by and wait to be raptured out, or, if they have a martyr complex, wait around for the Great Tribulation. After all, why polish the brass on a sinking ship?

Since modern evangelical Christianity has thrown in the towel, YHWH has had to raise up another group of people to help write the next chapter in His-Story. Enter Truthers and Anons. Anons didn't buy what the world was selling. They did not fall for the psyop. They were immune. Why is that? Because the leader of their cult had been training them to question everything, including the leader. Worst. Cult. Ever.

My Autists and Anons

*We have an **Army of Digital Soldiers**. What we are now, what we call, I call them, because this was an insurgency folks, this was run like an insurgency. This was **irregular warfare at its finest**, in politics.*

...that story will be continued to be told here, but we have what we call citizen journalists. Because the journalists that we have in the media did a disservice to themselves, actually, more than they did to this country.

*They did a disservice to themselves because **they displayed an arrogance that is unprecedented**, and so the American people decided to take over the idea of information. They took over the idea of information. And they did it through social media.*

U.S. Army Lt. Gen. Michael T. Flynn, 18th director of the Defense Intelligence Agency, November 12, 2016

Remember, there is no QAnon. There is Q and there are the Anons. Anons are simply guys and gals doing research on the inter-webs and sharing it to help refine the community's understanding of significant issues/events in the world (or habbenings). This process occurs within a free market of ideas, which is why they are attracted to platforms that do not censure speech. The researchers are anonymous, which means they can't demand trust by virtue of their credentials, unlike almost every "expert" on any given fake news program. The community checks one another's work to see if it's evidence-based and logical, rather than assuming everything said is true.

Q

Many Anons are Autists, a term of endearment used online by individuals who self-identify as non-neurotypical. Although often used light-heartedly, and seemingly in jest, it reflects underlying non-typical struggles that can manifest as the tendency towards introversion, social isolation, obsessive thinking, anxiety, difficulty maintaining eye contact, social awkwardness and missing common social queues, and a feeling that they do not fit it to normal society. The colloquial usage reflects a **recognition of common struggles, shared ability**, and a steadfast refusal for it to be defined as a disorder in any form. **It is not a problem to be fixed**, but different way of being, and possibly an adaptation to growing up and socializing online.

While not necessarily clinically diagnosed as autistic, although many times they are, self-identified autists recognize traits that place them somewhere on the spectrum. They are often **very high-functioning** and **analytic**, and whilst still feel very deeply, are often lower in emotional intelligence and emotional control, and tend to be **obsessive in their pursuit and immersion in their interests**.

Q's first post to the 4chan message board was October 10, 2017. Less than two months later, on his 314th post, Q directly addresses those who were interacting with the posts.

Q

From the beginning, Q was teaching the Anons how to think logically, critically, and outside the box via the manner of the intel drop. Q could not just come out and divulge classified information legally. But Q could and did legally leave hints or clues to where others could use those clues to start researching publicly available information to put the pieces together. Q would drop clues (leave breadcrumbs). The Anons pick up the crumbs and through research would fill in the missing ingredients to make the bread (Bakers). They would post their research and it would be checked by the other Anons.

Q also showed them how to decode their comms both in and outside of the Q drops as well as how to decode comms used by deep state players, one example being "dog comms". If you are wondering, deep state players will communicate using "dog comms". A typical example would be to post a photo of their pet with a suitcase in the background on social media. This would signal to other deep state players that they have to leave town.

The first Q post referenced in this article is an example of Q teaching Anons how to read their comms. Here are some more examples of Q teaching Anons how to read their comms:

Here are some examples of Q teaching Anons about "dog comms":

Being the autists they are, Anons caught on rather quickly.

Anonymous Post, Apr 09, 2018 8:26:49 PM EDT

Keep in mind that every crumb is not meant to be solved before the event. Some of the drops are things for ANONS to dig on and make connections with, others are markers for future reference.

> [future proves past]

Some drops are just simply communication to the ANONS.

What needs to be understood to appreciate what's going here is the fact the Q is basically creating a circular flow diagram that can be referenced and cross-checked with news releases. Q can't just disclose specifics about a situation or operation without violating security protocol. Instead they drop questions and statements that lead to answers that can be understood once the subject

becomes public. This provides the validation necessary for the public to believe The Great Awakening is legit. Disinformation and misdirection with Q is real. In other words Q is pointing over there but really the focus is here and only until you publicly get the news can you go back and understand. (Think SA drops) All of this is accomplished without giving up specific details about the operation. It's quite genius.

While providing kudos when Anons made connections, Q also reminded Anons to be careful, stay humble, focused, and question everything.

Q Post **1295**, Apr 29, 2018 **11:11:22** AM EDT

Be careful who you are following.

Some are profiting off this movement.

Some are building a big following off this movement only then to retreat and go mainstream.

Patriots make sacrifices.

Some, the ultimate sacrifice.

Patriots are SELFLESS.

Do they ask for monthly payments to remain Patriots?

Think logically.

To some, it's only about the money.

Those who would seek personal gain at the expense of others in this movement has an agenda.

You decide.

This is not a game.

*The only profit we should all be striving for is **TRUE FREEDOM.***

God bless you all.

Q

1295: 1 + 2 + 9 + 5 = 17

11:11

22: 22 = 11 + 11

Why is he drawing attention to 11:11? Isn't that like a new age thing? Why would he do that?

Remember:

Who created numbers?

Does He use numbers?

Does He communicate in numbers?

In computer terminology, there are different number systems for reasons not needed to be explained here, however the hexadecimal system is one such system used alongside and in place of the base 10, or decimal system. The hexadecimal number **11** equates to the standard decimal number **17**.

17, 19 and **11** are all part of the Q Code.

In Biblical context, 11:11 can mean YHWH **gathering His remnant, awakening, and supernatural favor/new authority of ownership.** Let's look at each one.

Gathering His Remnant:

*In that day the Lord will extend his hand yet a second time to **recover the remnant** that remains of his people, from Assyria, from Egypt, from Pathros, from Cush, from Elam, from Shinar, from Hamath, and from the coastlands of the sea.*

Isaiah 11:11

This is speaking about YHWH separating a remnant, pulling them out of one season to prepare them for another. In that season of separation, it feels uncomfortable because you are not sure of what is going on. YHWH says, "It is okay. I am separating you." Connection to Autists: tendency towards introversion, social isolation, obsessive thinking, anxiety, difficulty maintaining eye contact, social awkwardness and missing common social queues, and a feeling that they do not fit in to normal society. However, Autists **were chosen for a specific reason.**

Awakening:

*After saying these things, he said to them, "Our friend Lazarus has fallen asleep, but I go to **awaken** him."*

John 11:11

Q+

The Autists and Anons hold a special place in Q's heart. These people are nobodies. No one knows who they are, and they like it that way. Are Anons perfect? No. They are sinners just like you and me. But remember, Yahusha did not come to save the righteous, but sinners. These are the ones chosen to begin revealing to the world what was being done in secret, and what was being done in secret had been going on for a very long time. One of those secret things involves making people sick with vaccines. One of the side effects of the vaccine regimens that have been foisted onto our children in the past 66 or so years is autism.

YHWH Likes Boomerangs

As for you, you meant evil against me, but God meant it for good, to bring it about that many people should be kept alive, as they are today.

Genesis **50:20**

$$5 + 2 = 7$$

$$5 \times 2 = \mathbf{10}$$

$$7 + 10 = \mathbf{17}$$

If you are reading this, you are probably aware of the insidious evil that is the vaccine regimen being pushed on our children by doctors who have sworn an oath to first do no harm. Yet they line their pockets with commissions for every shot they give. If you are not aware, I would encourage you to do your own research and come to your own conclusions. But you will have to dig. A quick search on the intel-net will tell you that extensive studies have determined that autism is not caused by vaccines. What those stories will not tell you is who paid for those studies. Like Q said, *follow the money*. Truthers and Anons have learned that basically if the fact checkers tell you something, believe the opposite. The evidence is out there to prove the opposite, it just might take some work to find it. Here is a crumb to get you started.

<https://childrenshealthdefense.org/about-us/mercury-vaccines-cdcs-worst-nightmare/>

Is YHWH taking what they meant for evil and using it for good? "Of course He is!", would be my answer. That is what He does. Like the Esther story, which happens to be the **17th** book of the Bible, YHWH is taking the gallows that they have built and is using it to bring about their own destruction.

The Anons were chosen for a specific reason. While they have suffered harm from the vaccines, YHWH has given them special skills. The ability to connect

the dots, to see things that most people cannot. To **obsessively research and dig**. To take their findings and turn them into dank memes. The world has rejected them. They have sought refuge in the unknown forums on the inter-webs. They were perfectly positioned and equipped to become the digital super soldiers in an information war. Q knew exactly where to go to find them.

Actual Image of a Digital Soldier Providing Red Pill Fire Support

Anons/Autists are **digital soldiers** in an **information war** that the world finds itself in. **A new kind of war**, or at least new to our collective understanding of war. Most people do not know this, but humanity has been in this war a very long time. From the first bit of fake news whispered in the garden to the literal stage that is the world today. A great deceiver has been released and he has set out to deceive the nations. He has gathered his army. But fear not! YHWH will

use the foolish things of the world to shame the wise. The evil one's plans will boomerang on him. It's what Yah does. And He is very good at it.

If you focus on what the enemy is doing, you will be discouraged. If you focus on what YHWH is doing, you will be encouraged.

The Meek Shall Inherit the Earth

That is a promise made by Yahusha. You can take it to the bank. Okay, so what does it look like for the meek to inherit the earth? If you look around today, one would certainly not claim that the meek run the earth. It is run by an elite cabal of satanic narcissists. Is it possible that YHWH would use the meek (Anons) to expose and bring down this elite cabal? Not only is it possible, it is likely.

For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad.

Luke 8:17

That is also a promise made by Yahusha, which means you can take it to the bank as well. Let's consider how YHWH has been using Anons to make known that which is done in secret. In case you did not know, Anons **are the news now**.

THE GREAT AWAKENING.

You are the news now.

Handle w/ care.

Q

Where to begin. Here is a short list of things exposed by relentless Anon research while Q was posting on 4chan/8chan/8kun. Terrorism, biological warfare, psychological warfare, drug trafficking, human trafficking, child sex trafficking, spying, tracking, modern slavery, active concentration camps, intentional medical malpractice, mass censorship and propaganda, false flags, wars of choice and convenience, child torture and sexual abuse, ritual worship of the material world, the reimagining of the Elite self as a god of this realm, and the quest for immortality.

But I want to draw your attention to things the Anons have been exposing since Q stopped posting. To do so I am going to post an excerpt from a recent article by an Anon. He perfectly sums up the habbenings since Q's last post on December 8, 2020 and he does so in a fun cheeky way, from the perspective of a normie, using that memetic sense of humor that most Anons possess. I will leave the link to the full article at the bottom if you would like to check it out.

Despite Q's long sabbatical, those scummy QAnons have been waging a mis-dis- and mal- information war on our democracy!! They're trying to make everyone listen to information that hasn't been approved of by the authoritative sources - those employed by the six corporations that own all media! It's very dangerous!

During Q's 14+ month absence, QAnons got very angry, just because they think that these same evil, corrupt leaders actually stole an election! Yes, they control everything and tell us what to think while tracking everything we do, but there is no evidence that they stole an election! These are baseless claims, a conspiracy theory, the Big Lie. It's so obvious. You don't even need to look! Examining an election is a threat to our democracy. Besides, no one would be evil and conniving and corrupt enough to steal an election and if it happened, the television would tell us. Therefore, it didn't happen.

Those dastardly QAnons sieged the Capitol(!) with a Very Violent Insurrection(!) that threatened to tear down our democracy(!) and they did it because of white privilege(!) and they are misogynists(!) and Science Deniers(!)

They began going to school board meetings, maskless(!) to show they're part of the cult(!), just because their kids happen to go to a school where they're being trained in professional racism or where being raped by a boy in the girls' room gets covered up because the boy was wearing a skirt. Those QAnon terrorists! (I know, rape sounds scary, but everyone knows it's transphobic to #metoo someone who might have gender dysphoria.)

Those delusional QAnons are anti-mask(!), which killed everyone's grandma. They were anti-mask even before the TV told us masks weren't necessary

anymore. They're anti-vax(!) and they were anti-vax(!) even before the TV told us that the 'vaccines' don't work... and we still have to wear masks... and sorry about the myocarditis/AIDS/cancer thing.

The Science said covid must be cured by "the vaccine", which would only protect anyone if everyone took it. By "protect", they initially meant people could not become infected with covid. When The Science changed, "protect" came to mean the shot would prevent serious illness and death... from a disease that does not cause death for 99.9% of people who become infected.

Those silly QAnons keep saying, "My body, my choice", but everyone knows that's the pro-choice motto. It's actually disgusting that the QAnons are saying it when they're the ones killing other people, not the women getting abortions. Duh.

Everything bad is Trump, as Trump is the source of everything bad. Everything bad is QAnon, as QAnon is the source of everything bad. Everything bad is 'Trump supporters', as Trump supporters are the source of everything bad.

This is the scapegoating of every world citizen who is not on board with the Global Communist Agenda.

Did the QAnons cause the modern-day slave trade at the Southern border? How? Did they divert the attention of our public servants to the domestic terrorism the QAnon parents were committing?

QAnons drove 18-wheelers to overthrow Canada's government, who they're told does the bidding of those evil, corrupt leaders of the world. It's a conspiracy theory! The QAnons are ready to believe something so absurd because they realized that Justin Trudeau is quite obviously Fidel Castro's bastard son and Chrystia Freeland, Trudeau's Deputy PM, is the granddaughter of a real-life Nazi.

Side note: Canadian QAnons? How many parts of the media story break down when a person grasps the inherent contradiction in that? The last thought a

deranged Biden voters want to have before his brain breaks is: “There are Q followers in other countries? They must be racist, white Trump supporters too!”

Trudeau’s and Freeland’s bloodlines aren’t their fault! They can’t be blamed for what their families did! They are both capable young leaders who support China’s very efficient society, the LGBTQIA+++ agenda, and forcing their people to do whatever they’re told. Nothing can get in the way of saving the Earth from the Sun.

Another side note: Remember when the global communists focused on reducing pollution by canceling plastic straws? Was this because they noticed number of plastic drinking straws they themselves waste at fancy restaurants and on their private jet trips? They tried to cancel plastic straws. They believed it would make a real difference. Soon after, they began buying billions of disposable masks that don’t protect them from covid and take longer than straws to biodegrade after they end up in the ocean. They want to change the world because they find their own wastefulness to be offensive. They believe that to solve the problem of their own personal wastefulness, everyone needs to adjust, because everyone else must waste the same amount as they do. To absolve themselves of responsibility, they tout the importance of speaking out against straws to show everyone they’re very good people.

Since the last Q post, those rotten QAnons have committed sooo many mass shootings, especially those that social media blamed on white supremacists and ‘probably Trump supporters’ before finding out the shooters were immigrants or Arabs. Can you believe it? The QAnons recruited immigrants and Arabs to do their bidding! Those racist Islamophobes!

Those unhinged QAnons failed to support the mostly peaceful™ race-rioters throughout the summer of 2020, just because they were threatening homes, looting businesses, desecrating monuments, and trying to burn down government buildings. Those dastardly QAnons just didn’t care that the mostly peaceful™ rioters were actually solving racism with their antiracism. (Antiracism is like racism, except the person doing the racism is good instead of bad.)

Those villainous QAnons are not properly supporting Ukraine while our democracy is being attacked around the world. They're defending Putin just because they think he is taking out US bioweapons labs near Russia's border and dismantling a hotbed of corruption and actual Nazism that happens to involve the man currently pretending to be president of the United States of America... and many of his friends.

And that is not happening. If it was, the news would tell us. You know it's not happening because the US Embassy removed all record of those bio-weapons labs from their site. You can't prove anything now, right? The QAnons are so powerful at hypnotizing the public with true information that the Embassy was forced to remove legitimate documents from their website to protect innocent Americans from being exposed to the conspiracy theory those documents prove! Those QAnons are so tricky and clever in their sloth and stupidity! The worst, I tell you!

QAnons, destroying the world with their conspiratorial machinations, are doing it all because they just cannot get over the fact that their hero, their savior of the world, Donald Trump, didn't get re-elected. The QAnons just can't accept that so many people hate them and their hero because that's how clueless they are about the rest of the world - so uncultured!

Everybody knows that Donald Trump was so hated, he could never win, regardless of whether or not he received 12 million more votes than he did in 2016. Trump's cult got 20% bigger, sure, but 81 million real, legal, American voters everywhere turned out (almost entirely via mail or Zuckerberg dropbox) to vote for the one man with the savvy and guile to take down the vast evil empire of Donald Trump and the QAnons before they seized all the power in the world.

Joe Biden, from his basement, was this man. If you think that's not true, you ain't black.

From his basement, the kind, decent, affable, straight-shootin' Joe Biden, Father of Crackheads, Sniffer of Kids, He Who Will Put Y'all Back in Chains,

secured himself 81 million real, legal, American votes. According to the television, enough votes came in over the days following the election that Joe Biden was eventually called the president.

A statement from the Cybersecurity and Infrastructure Security Agency said the election was “safe and secure”. Bill Barr said he hadn’t (yet) seen evidence of fraud to materially change the outcome. Some of the courts dismissed the election fraud cases on procedural grounds, without an examination of evidence, but it’s claimed that means there was no evidence. The courts are always right, except when white cops are on the stand. Then the courts are always wrong. Plus, even Republicans in various places said Trump lost, which means it’s true. Those good Republicans would never lie to the American people, not with our democracy on the line. That’s why they stood with Democrats. They, too, knew how important it was that no one ever be allowed to carefully examine election results.

Did courts in Wisconsin and Pennsylvania rule their 2020 elections unconstitutional? Yes, but the decisions will be appealed and the television hasn’t told Biden voters yet, so no. Did the Arizona audit show massive evidence of fraud and illegality? Yes, but the television says Biden actually won by extra, so no. Have state legislators presented resolutions to decertify elections in multiple states? Yes, but Experts say it’s not possible, so no. Did the Speaker of Wisconsin’s House say there was evidence of widespread fraud? Yes, but he also said nothing can be done about it, so no. And what’s with the Pillow Man?

Election fraud is impossible. Even if it’s possible, it could never be so widespread that the most popular president of all time, Joe Biden, actually lost. Therefore, it did not happen.

Suck it up, you sore loser, you QAnon crank.

You can tell the QAnons are in a cult because their leader, Q, disappeared without warning and the followers just kept researching new subjects and sharing what they found as if Q was still leading them! You can tell they’re in a

cult because they're constantly discussing different beliefs when they could simply just Listen to the Experts™ and Follow the Science™. QAnons gain power within the cult by trying to create and spread the craziest disinformation. They won't change their beliefs even after their families and friends reject them for not believing the right things.

Hey QAnon crazies, take the hint! Say what we tell you to say and we'll go easy on you! The more you QAnons keep infecting everyone with open-sourced information and logical reasoning, the more you force us to censor you!

And so it goes with those loony QAnon simpletons. They think they're so smart but they don't even know the name of the last Bachelor and they don't realize that Alec Baldwin deserves a freebie murder because of how good his Trump impression was! Those dullards.

The media has done truly admirable work by finding the influence of QAnon in everything that's destroying our democracy, and thank goodness. It's good to know who the bad people are. It turns out, a bunch of mostly middle-class and working-class people all across the world are responsible for how bad everything is. They have virtually no power whatsoever to implement their radical ideas, but they make it more difficult for the smart, powerful, virtuous people to fix everything with their newer, better ideas. QAnons ruin everything!

If the QAnons would just shut up, George Soros, Bill Gates, Anthony Fauci, Barack Obama, the Chinese Communist Party, and the Rockefeller Foundation would fix everything for us! After two years of Netflix and UberEats, the world needs a Reset, and it might as well be Great! Luckily, the world's most powerful people, entities, and governments are partners of the World Economic Forum, so it's easy for them to coordinate their activities and get on the same page before it's too late to save us.

To move forward, we must silence those QAnons forever - whatever it takes. We could then (finally!) be set on the right course by Klaus Schwab, a comic-book villain so cartoonishly evil that he makes people who use Mark Zuckerberg's Metaverse as an outlet for child predation look like upstanding citizens in

comparison, at least to the people who supported Ketanji Brown Jackson for the Supreme Court.

But, you see, it's impossible for anyone to be so obviously evil and so proud of it. Therefore, because Klaus Schwab shares his vision for the world so publicly, he is not evil at all. He's good, like he says. It's homophobic to call Klaus Schwab a Satanist, whether or not Klaus Schwab is gay.

Leave him alone and let him work, QAnons. He's trying to save the planet from the sun. For anyone to survive, we must be sure everyone is injected with magic healing potion. Experts say it's working. Things would be even better if conspiracy theorists weren't holding humanity back.

YHWH Woke Us Up For A Reason

I will leave you with some quotes by some of my favorite Anons.

Many white hats are going to come out and say things you don't agree with or that may discourage you or confuse you.

As anons we've learned to transcend the noise and trust our own research rather than any one person. This is what makes us special.

When Trump told us to get the vaccine did we? No.

We knew Trump was stopping the Great Reset with what he was doing. We saw through it.

When other white hats say things to discourage us about devolution, q, and anons do we just automatically believe them?

I know I don't.

I'm an anon. I defiantly think for myself. No one person will convince me not to come to my own conclusions and most importantly trust God above anyone.

When white hats say that Ukraine is the good guys do I believe them?

Nope.

We have factual evidence that Zelensky is a nazi puppet, that Soros did a color revolution and took control of the country.

Anons defiantly think for ourselves even when our leaders say something we don't agree with. We are the worst "cult" that anyone's ever heard of and I don't know about you but I love how free thinking we are.

We are unplugged from the Matrix of group think that's why I love us. No one's rhetoric will discourage me and it shouldn't discourage you either.

The power of the anon: We see through what others cannot. This is our super power. The truth will set us free.

~Pepe Lives Matter

The Q Posts never said anyone was coming to save us.

They stated that there were military and high named individuals, Such as President Trump fighting WITH US for the same cause.

But the over-all message of the posts was for us to evoke OUR inner fight for truth. The posts implored US to get off our asses, stop waiting around for a savior and become the News OURSELVES! To dig on these losers OURSELVES! And to become the change we want to see in this world.

Anyone spewing the fake tag line that "Q was meant to get us to wait around for a savior and do nothing" clearly never read the posts and is probably being paid to spread this as part of a discouragement psy-op.

Do you spread info every day? Do you keep track of the events of the world? Do you dig on these people and attempt to redpill normies? Good. Then you know for a fact not to fall for this ridiculous notion.

~Where We Go 1 We Go All

Patriot Anons, let's take a trip down memory lane. It was just 5.5 years ago that Trump announced he was running for President. We did not know just how important that was as most of us were still stuck and lost in the evil and fraudulent reality we've come to know as the Matrix. People have no clue just how close we were to the precipice of destruction should Hillary have been elected. The media, majority of our leaders, all our favorite celebrities, all our favorite athletes and Stars that we stupidly followed, activated and turned against him in an unrelenting fashion. Nobody but Trump could have survived that campaign, overcome the voter fraud, and beat the "most qualified (deep state) presidential candidate". That was Miracle number one.

On October 28, 2017 the anonymous poster now known as Q, a military intelligence team, went to the grungiest part of the Internet (4ch) and started to post of a plan to not only save America but to save the world. They spoke of getting rid of all evil and corruption world wide with only continuous statistical coincidences as proof of the validity of the plan. There were only a few hundred anons there that first night and over the course of a few weeks, after open source investigations by anons into answer questions posted by Q, anons started to piece together the truth about our reality. Information was packaged into memes, word spread, social media accounts began to disseminate this message.

For 3.5 years we were spit on, called crazy, chastised, ostracized, fired from jobs, lost livelihoods, lost friends, lost loved ones, lost relationships, doxxed, threatened with our lives, belittled, battered, stalked, deleted and so much more, RELENTLESSLY by not only the media but our peers and neighbors. During all that our numbers of support grew to the hundreds of millions spanning over 100 countries across the world. Not only that but I personally, many people I woke

up, and hundreds of thousands, if not more, of some of the most lost and wandering souls found God through the Great Awakening. That was miracle number 2.

From the get go, Trump took all of what we got times 1000, directed right his entire family, himself, his businesses, his reputation, with nonsense Russian investigations, impeachment trials, 25th amendment threats, virtually zero support in Congress, nor the federal and local court systems. Even foreign countries, three letter agencies, and all 17 US intelligence agencies, plus Five Eyes, the UN, and the entire global media did everything in their power to stop and end Donald J Trump. Despite all of this, Trump's support grew by the millions, as he secured peace in the Middle East, peace with NOKO/SOKO, set record stock market numbers over 100 times, stopped corporate corruption, arrested thousands upon thousands of hardened criminals, sex offenders, arrested and deported MS13 gangs and other violent illegal immigrants, prevented hundreds of thousands if not millions of dying from a Chinese bioweapon, absorbed the federal reserve, and built a massive wall. Trump did more for America and humanity than the last 10 decades of US political leaders combined and he had MAX RESISTANCE the entire way. That is miracle number 3.

Trump and Q team are not God nor Jesus, but their plan and their actions are undoubtedly, IMO, guided by Divine Providence. If all of the above is true, then the Best is SURELY yet to come. All these trials and tribulations we are going through, as they bring us to our knees we will learn to pray. In prayer and hope we will all find God. And only then we will come to realize that all this pain was just Blessings in disguise. Look where we have come from. Look where we are now. You MUST know: We were never alone. There is Another standing in the fire next to us and through Him we will all be guided down the lightened path to Freedom- as He intended. There is a reason we are here in the place and time we call "here and now". There is a reason that despite everything, WE ARE STILL HERE. It's a feeling that inside that just won't go away.

~IET17

You know the story of Moses?

He was born when the decree from Pharaoh was to kill the Israelite babies because they were growing too fast

Moses the Hebrew was adopted and grew up in Pharaoh's palace....had the very best Egyptian Education

For all Moses knew though, he was...

Mr. Egypt

God used Mr. Egypt to lead the Israelite slaves out of Egypt

President Trump looks to be just like one of them to those not looking

Mr. Corporation...king of making deals and navigating bad ones

God chose Mr. Corporation, to lead us out

We are enslaved by the Corporation

Before the Q movement God showed me that in the worst storm in my entire life...I went from one storm to another

I have never felt so strong and sure now

God used these times to heal me both physically and spiritually

Trump has God's Almighty Hand on him

People misunderstand totally what that means

If you are looking for God to use a good man....I never saw any of those in the Bible much...rarely did many finish well

It's not about the man God uses

It's about the Man Christ Jesus and no other President has said so....so often

God's hand moving

That's all I look for

Not opinions

~Pepe Delux

Frodo: I wish the Ring had never come to me. I wish none of this had happened.

Gandalf: So do all who live to see such times, but that is not for them to decide. All we have to decide is what to do with the time that is given to us.

I've been thinking about one of my favorite scenes from LOTR.

We were born for such a time as this.

As Q once said: God woke you up for a reason.

Romans 9:1

I know I said I would leave you with some quotes from some of my favorite Anons, and I had fully intended to do so. But something was telling me to hold off on publishing just yet. So, I did. Now, a few days later, I know why, and I want to share this story with you as a fitting conclusion to this article.

I want to preface by saying, the connections I have been making since I started writing these articles has been mind-blowing for myself. As I dig, I can tell that I am not making these connections. The Ruach HaQodesh (Holy Spirit) is making them for me. I am not a big numbers guy. I know enough to be dangerous, but math is not my strength and I am certainly not anywhere close to Mercury Rising level of being able to make connections with numbers and code. Also, I do not claim to be an Anon. I did not even find out about Q until after the 2020 election. It is a long story, so I will hold it for now for perhaps a future article. All this to say, I am not making any of these connections They are being shown to me. Praise Yah!

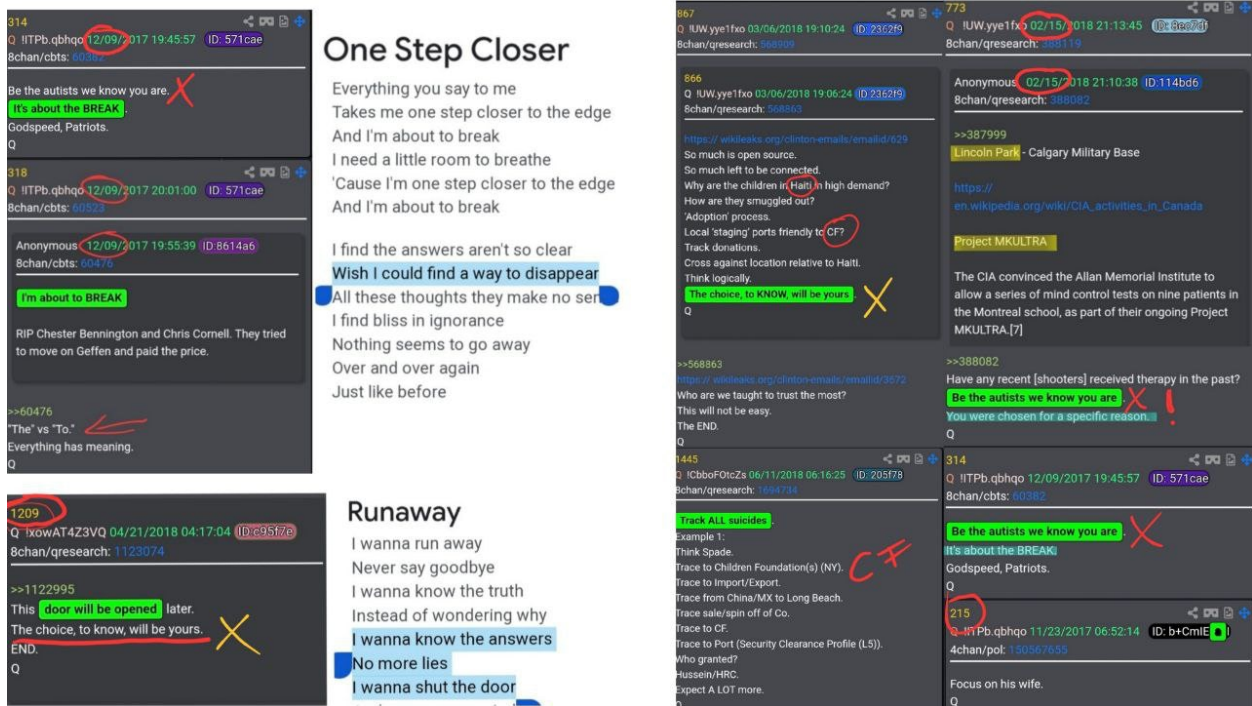

Back to the story. A couple days after I thought I had finished writing this article, but I could hear the Ruach HaQodesh telling me to wait, I was reading through the comments on one of my favorite Pepe Lives Matter daily posts.

Daily morale boost thread for frens. 😊

Post your best keks, memes, positive news stories for people to read in the comments below. 🙌🙌🙌

I love reading through the comments on Pepe's daily moral boost. For sure it is one of my most productive meme harvesting fields full of new, fresh, dank memes daily. But even more so, the love and encouragement Anons provide each other on this daily moral boost thread is what you would expect to find in our churches, which today, at least in my experience, is sadly lacking.

On this particular day I came across a comment by an Anon named Sandra.

Just decoding, trying to connect the dots, Linkin Park / Lincoln Park, Q Drop about Chester & Chris (official story suicide in 2017): "It's about the break", what break & why mentioned at all? autists or artists? "Chosen for a specific reason"? 🤔🤔

I left 7 = as blank because I was not quite ready to go there. But it was a thought that was forming in my mind. Am I saying I think YHWH is talking to us through Q? I don't know. It is a possibility that I am exploring. I will say that the more I learn about the Q plan, the more I see the connections to numbers, Scripture, and Q posts, the more I realize this is not the work of man. There is a higher power at work here. Is He literally writing the Q posts and deciding when to post them so that time stamps line up? No, I do not think that. He works His plan through people. Some are willing participants, some unknowing, and some unwilling. But we all play a role in His-Story.

In all, the number 7 is used in the Bible more than seven hundred times. If we also include the words related to seven (terms like sevenfold or seventy or seven hundred), the count is higher. Of course, not every instance of the number 7 in the Bible carries a deeper significance. Sometimes, a 7 is just a 7, and we must be cautious about attaching symbolic meanings to any text, especially when Scripture is not explicit about such meanings. However, there are times when it seems that YHWH is communicating the idea of divine completeness, perfection, and wholeness by means of the number 7.

Is it **coincidence** that my head was not quite ready to commit to filling in the blank for 7 = ? Is it **coincidence** that I could feel someone telling me to wait to publish? Is it a **coincidence** that a connection I had just made to the Q posts

directly correlated to something a random Anon was trying to decode and so had posted on a thread I read daily asking for input? Is it **coincidence** that she saw a link to the **CONFIRMED** post that I had missed? Is it **coincidence** that Q said discoveries must originate organically, from the “hive-mind” and this discovery was made organically and with the “hive-mind”?

I would just say, do your own research and come to your own conclusions. In the meantime, I am going to keep digging and presenting my findings. Till next time, I bid you adieu.
