INTRODUCTION to the Numbers

THERE's that episode of 'The Brady Bunch' where Jan attempts to convince everyone that she has a boyfriend named George Glass and that he's anything other than a figment of her imagination, but Marcia isn't buying it. Well, some people have been thinking the same thing with **Jason123**. That I've simply invented him and that he's another side of me rather than an informant. It's not true though. I assure you that he is real and that we're in on exposing these psyops together.

As you may have guessed, Jason123 is a numbers guy. What he especially excels at is understanding how the flat, motionless plane *spins* with **Gematria**, which just so happens to be the topic of this paper. Not surprising then, the **123** in his name adds up to **conspiracy**. Gematria finds its modern origins in **kabbalah**, you know. Speaking of which, there simply isn't the right word to describe the sick, sadistic, sociopathic, and Satanic Elite running our world. Mind you, they are the ones who employ gematria for their own practices. And one thing which gematria proves is that theirs is a ceremony by the numbers.

The point of nearly every paper I write is to demonstrate how the world is a stage and that everybody in the official narrative is an actor reading from one Intel script or another. Our Media Controllers keep me on my toes, for sure. As a writer and someone who doesn't believe a lick of what they're feeding us, I can't even begin to keep up with their madness. Most psyops get passed right over. But I plan to change what I can of that, if possible. It's why I'm hoping to relay the numbers which Jason123 feeds me from his end of the Intel-net to my own. What that means is, this paper will grow some and then perhaps continue to grow as the pomp and circumstance of these numeric ceremonies trudge on.

A mass shooting was reported in the News on **April 5, 2022**, within blocks of the Sacramento Capitol building, and sometime later that afternoon Jason123 presented me with a numbers test. The incident reported **6 dead and 12 hurt**. It happened at **2:01 a.m.** I'll ask you the same question he asked me. What number sticks out to you from what has just been shown? If your answer is 201, it was mine too. **201** is a big one.

Consider. **Pope Francis** was born **Jorge Mario Bergoglio**, equating to **201**. He is the first pope to live at **Suite 201** at the **Vatican**, known as the *Domus Sanctae Marthae*, which also equates to **201**. The same goes for **Ignatius of Loyola**, the founder of **The Jesuit Order**, a name likewise equating to **201**. Over 200 years after their founding, in 1773, **Pope Clement XIV** suppressed the Jesuit Order, and to the point that they only survived because **Catherine the Great** protected exactly **201** Jesuits. *Ridiculous.* Hopefully, you can recognize a psyop or a hoax when you read it, and this is one of them. **Adam Weishaupt** was a **Jesuit**, but more

importantly, he is accredited for creating the **Bavarian Illuminati**, later changing its name to **Order of the Illuminati**, which summons the **201** number. Weishaupt died on 11. 30. 1830, **201 days** after the 54-year anniversary of the Bavarian Illuminati establishment.

Neil Armstrong and **Buzz Aldrin** took their first steps on the moon on 7/20/1**969**, which happened to be the **201st day** of the year. But then we have **Event 201**. That's the big one; the **COVID-19** pandemic exercise which went down on 10.18.**2019** and look where that landed us. They weren't even hiding it with that one. Our Slave Masters like to leave their signatures behind. That's Gematria for you.

With that, let's *begin*.
